To Whom It May Concern:

The purpose of this letter is to recommend Bill Conopeotis and his firm ConopCo Realty & Development, Inc. for Project Manager of the Year. My first opportunity to work with Bill was on the relocation of CorpTax in the Arbor Lakes Office Building in Deerfield, Illinois. From my perspective, I thought Bill was the ultimate "team player". As a broker representing CorpTax I always felt that I was completely apprised of the Project Management related issues of this transaction. This was of course invaluable to my ability to represent CorpTax; his superb communication made it possible to navigate difficult tenant improvement issues such as meeting the client's expectations on budget costs.

I am very grateful for Bill as I thought there were a number of times this transaction could go sideways, but Bill kept everyone positive and instilled the confidence and vision of success.

Please accept this recommendation letter from me supporting ConopCo. As Project Manager of the Year.

Sincerely,

A handwritten signature in black ink that reads "Henry H. Cox". The signature is written in a cursive, flowing style.
