

*We are pleased to announce that **Mitchell A. Levandowski** has joined **ConopCo Realty & Development** as *Building Engineer*.*

Mitch brings over sixteen years of Class A office and Tier 3 Data Center building maintenance and operation management experience to the team encompassing over 2.7 million square feet of commercial space. Some of his responsibilities include the start up and maintenance of routine and preventative building system programs, safety and hazardous communication programs, fire pump and generator testing, as well as the maintenance and repair of electrical, plumbing, and HVAC systems. He is currently operating two buildings totaling 145,000 square feet at Prairie Stone Corporate Center in Hoffman Estates.
